

PRESS RELEASE

Markan Global Enterprises, Inc. is proud to announce the addition of Scott Geary to our company. Scott joins our team as the Vice President of Marketing & Sales. Within this role, Scott will lead Markan Global's marketing and sales activities. He will play an integral role in developing marketing and business strategy while providing sales leadership.

"What attracted me to Markan Global was their commitment to providing the best possible service to both their principals and their customers, and the passion that Kanwar Sharma, Ralph Sharma and the entire Markan Global team have for their business" Scott said. "I intend to apply my marketing and sales skills to build awareness for Markan Global on a national level, while driving new business across the markets we serve."

SCOTT GEARY,
VP of Marketing and Sales

Scott's proven background in new business development and his overall senior level of experience will help to ensure that Markan Global continues to grow, and allows us to further improve our principals' leadership positions within the pharmaceutical and nutritional industries.

Scott comes to Markan Global with over 15 years of experience in the chemical and pharmaceutical industry since graduating from Providence College. His last position was with DSM Pharmaceutical Products where he was a Key Account Manager for their CMO business and the API Sales Manager for North and South America. Prior to DSM, Scott was Vice President of Sales at DFE Pharma, a world leader in pharmaceutical grade lactose. We believe that Scott's extensive pharmaceutical background will be a significant asset to Markan Global Enterprises.

Ralph Sharma, Markan Global CEO, states "We are very excited to welcome Scott to our team. Scott will be focused on new business development and the expansion of existing markets. He will continue to support Markan Global's customer centric focus and expand our national sales team."

Please join us in welcoming Scott to the Markan Global family. Scott will be contacting you shortly to introduce himself. In the meantime, please do not hesitate to contact him for any of your needs:
